Education

Dept. of Computer Systems and Computation <i>PhD Candidate, PhD in Computer Science</i>	Universitat Politècnica de València <i>2012–Present</i>
Center for Computing Research <i>PhD Secondment, WIQ-EI project</i>	National Polytechnic Institute, Mexico <i>Aug–Dec 2012</i>
Lab. of Language Technologies <i>PhD Secondment, WIQ-EI project</i>	INAOE, Mexico <i>Dec 2012</i>
Dept. of Computer Systems and Computation <i>MTech, Art. Intel., Pat. Recogn. and Digital Imaging</i>	Universitat Politècnica de València <i>2009–2012</i>
School of Engineering in Computer Science <i>BEng, Computer Science</i>	Universitat Politècnica de València <i>2004–2010</i>

Master thesis

Title: *Source code re-use across programming languages*

Supervisors: Lidia Moreno and Paolo Rosso

Description: In this work are proposed two models for source code re-use detection and their performance at mono- and cross-lingual level.

Experience

Research.....

Spanish Ministry of Science and Innovation <i>Government Scholarship Researcher Training, 4 years</i> TEXT-ENTERPRISE 2.0: Text comprehension techniques applied to the needs of the Enterprise 2.0 (TIN2009-13391-C04-03)	Universitat Politècnica de València <i>2010–Present</i>
---	---

Dept. of Computer Systems and Computation <i>Scholarship expertise, 5 months</i> The main objective of TeLMoSis project is to combine advances in Human Language Technologies, particularly semantic analysis, with information system modeling.	Universitat Politècnica de València <i>Jun–Nov 2010</i>
---	---

Teaching experience.....

School of Engineering in Computer Science <i>Subject: Information storage and retrieval systems</i> Teaching Assistant	Universitat Politècnica de València <i>Jan–Jun 2013</i>
---	---

MISC laboratory <i>Plagiarism and re-use detection Laboratory, 1 week</i>	University of Constantine 2 <i>Mar 2013</i>
---	---

idEC, Master in Forensic Linguistics
Plagiarism detection Laboratory, 4h

IULA-Universitat Pompeu Fabra
Apr 2013

Other.....

Fundación Servipoli
General Service

Universitat Politècnica de València
2008–2010

Collaboration in the convergence actions of the European plan.

Lectures and talks

Talk: “Detection of Cross-Language Source Code Re-use” **9 Oct 2012**
University of London *Mexico city, Mexico*

Talk: “Cross-Language Source Code Re-use” **6 Dec 2012**
INAOE *Puebla, Mexico*

9th Workshop of Human Language Technologies **18-19 Oct 2012**
INAOE *Puebla, Mexico*

Talk: “Plagiarism and re-use detection” **2 Mar 2012**
Constantine, Algeria *University of Constantine 2*

Events and conferences

CLEF 2013: Member of Local organizing committee *Conference and Labs of the Evaluation Forum*

CERI 2012: Member of organizing committee *2nd Spanish Conference on Information Retrieval*

SWERC 2012: Judge Committee Member *Southwestern Europe Regional Contest*

CLOCALPROG 2013: Judge Committee Member *Local programming competition - UPV*

CLOCALPROG 2012: Judge Committee Member *Local programming competition - UPV*

Languages

Spanish: Mother tongue *High school degree*

Valencian: C1 - Mother tongue *Grau mitjà Junta Qualificadora Coneixements en Valencià*

English: B1 *Official school of idioms*

Programming skills

Languages: Java, C++, Python, Unix Shell, GNU Octave, Matlab, LISP, SQL, MySQL, HTML, XML, Haskell, Prolog

Software: Lucene, Weka, NLTK, Apache, Tomcat, SVN

Additional training

XML course: Centro de Formación Permanente - Universitat Politècnica de València, Spain

Programming with Microsoft Visual BASIC.Net: Centro de Formación Permanente - Universitat Politècnica de València, Spain

Typewriting course: Informeca, L'Alcudia, Valencia, Spain
